

Myanmar's view regarding the recent visit of U.S. Speaker of the House of Representatives to Taiwan (Chinese-Taipei)

Myanmar is concerned by the visit of Ms. Nancy Pelosi, Speaker of the House of Representatives of the United States of America to Taiwan (Chinese-Taipei) which is causing escalation of tensions on the Taiwan Straits. Myanmar opposes any provocative actions causing instabilities in the region and attempts that aim to interfere in the internal affairs of other states.

Therefore, Myanmar calls all concerned parties to deescalate the tensions through constructive dialogue and peaceful negotiation for peace and stability across the Taiwan Straits.

Myanmar fully supports the "One China Policy" and reaffirms that Taiwan is an integral part of the People's Republic of China.
