PDF Terrorists Make Disruptive Acts against Education Sector Development to Create Uneducated Classes in the Society

The terrorists of political extremist made the following disruptive acts against education sector with the use of various heinous means:

- On 28 June, two male terrorists riding a motorbike threw a homemade soundbomb at the Ye Pyar Basic Education High School in Ye Pyar village of Pauk township in Magway region and ran away. The bomb reportedly dropped and exploded in the area to the northwest of the school.
- On 29 June, PDF terrorists dropped a homemade bomb on the Basic Education Middle School in Kawt village of Shwebo township in Sagaing region with the use of a drone, taking position at Boodaw Taw village. It is reported that the bomb fell and exploded on the roof of the school, leaving it damaged.
- On 1 July, terrorists planted and exploded an IED inside an abandoned school building made of bamboo and zinc-roof located 50 feet away to the west of the main school building of the Basic Education Middle School–BEMS of the Kyikone village of Kyun Hla township.
- On 1 July, the dead body of a junior assistant teacher U Nay Soe of 38 from the BEMS of Thayaung village of Phaung Byin township was found near the graveyard of Innwine village with three cut wounds on the throat. He reportedly left the village in the morning of 30 June to attend the meeting at the Phaung Byin education office, never came back since then and was killed by terrorists.

The terrorists' intentional attacks against non-military targets of schools and non-combatant targets of teachers and students amount to war crimes, according to the provisions of Geneva Conventions and the International Law. As NUG's affiliate PDF terrorists are extremely full of envy on the opening of schools which perform to uplift the education quality of the youths in future, they carry out arson and bomb attacks on, and fire small arms at education offices and schools. In addition to these, terrorists are continuously making brutal killings of innocent education staff. As a result, parents express disgust at and oppose terrorists as children's rights to education were being disturbed by terrorists' acts.

Security forces are reportedly carrying out investigations to identify and arrest those who were involved in the crimes and take punitive legal actions against them.

PDF Terrorists Make Disruptive Acts against Education Sector Development to Create Uneducated Classes in Society

With nefarious intentions to make students, teachers and parents scared and create uneducated classes in society, the NUG's affiliate terrorists upholding extreme political dogma, are using various means such as bomb and arson attacks against schools, the country's major infrastructure for education sector.

- On 5 July, PDF terrorists torched the Basic Education High School Branch in Shwegyin township of Bago region. Due to the fire outbreak, one out of two (20 square- feet) rooms of staff office building, two sheets of plywood with three layer of veneer in the library, one desk and other documents were burned to the ground.

- On 9 July, security force members deactivated an IED and removed it which was planted by terrorists at a spot near the drainage outside the brick wall at the back side of No (27) Basic Education High School located in the ward (I) of Pyigyitagon township in Mandalay region.

An IED planted by terrorists found near the drainage outside the brick wall at the back side of No (27) Basic Education High School in the ward (I) of Pyigyitagon township

Security forces are reportedly carrying out necessary investigations to identify and arrest those who were involved in the heinous crimes and take punitive legal action against them. The entire national people were urged to oppose terrorist groups and participate in protecting security for the future of children by giving reports about movements of terrorists to concerned administrative bodies, it is reported.

PDF Terrorists Forcibly Robbed of Salary Money for Employees of Myanmar Efforts Garment Company in Pakokku Township

U Phyo Min Kyaw, 31, owner of Myanmar Efforts Garment Company located at Pan Tine Chone village of Pakokku township was robbed of K260 millions which are the salary money for the factory employees by armed PDF terrorists on 5 July. When the victim alone was on the way to his village by his own car after withdrawing K 260 million from KBZ bank in Pakokku township, six armed terrorists stopped the car, robbed him of K 260 million and

three mobile phones, and then the terrorists drove off their car towards Sin Kyo village of Yesagyo township.

It is found out that the PDF terrorists are not only extorting money from local people but also committing more crimes of robbery and banditry as they got no more 37 financial supports from NUG for acts of terrorism. The NUG terrorist group is abusing the donation money in the name of revolutionary funds and do not allot the money to its affiliates of PDF terrorists.

Local security force members continue measures to identify and arrest the terrorists who committed the crime of robbery.
